FORWARD

Statistical Handbook on Technical Education 2017 is the 21th of an annual publication which was first published in 1994. This handbook contains detailed information about location of Colleges of Technology and Technical Colleges, student admissions and enrolment, courses conducted, student performance, staff cadre, expenditure incurred etc. with regard to Technical Education. Statistics on students who have obtained National Vocational Qualifications are included in this publication under the students' performance.

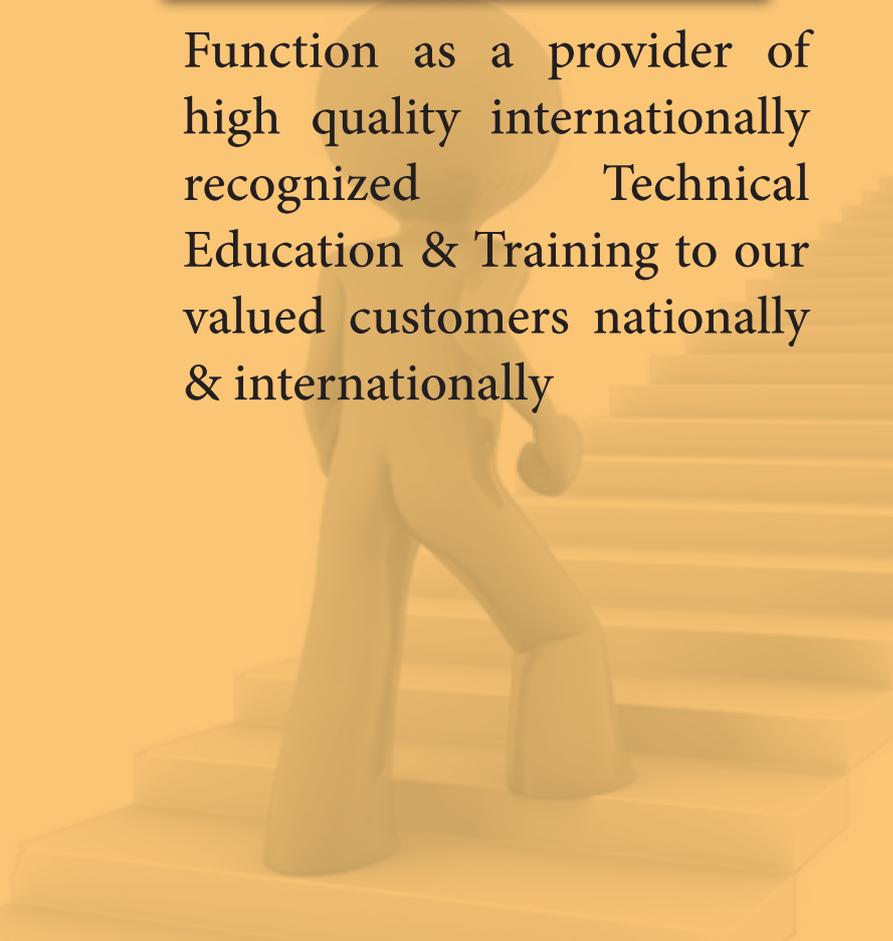

I hope this publication will become useful for those who seek data in respect of Technical Education. Suggestions and comments for further improvement of future publications are welcome.

**Director General,

Section 2 :

Intake and Enrolment

This section focuses on information on student intake and enrolment of Colleges of Technology/ Technical Colleges for years 2017. These are analyzed college-wise, district-wise, course-wise and industry sector-wise. A year-wise comparison between years 2015, 2016 and 2017 is also contained here.

Section 3 :

Student Performance

This section provides information on performance of students of Colleges of Technology/ Technical Colleges. Examination results of students are analyzed against the intake of the courses conducted by the colleges. This section also includes a summarized analysis of full time and part time courses conducted by Colleges of Technology/ Technical Colleges. Results published here are only for examinations held & relevant to year 2016 and issued at the time of publishing this book, subjected to change with re-scrutiny.
